About Shepherd's Corner

Shepherd's Corner is an ecological ministry supported by the Dominican Sisters of Peace, offering a wide array of agricultural, educational, and spiritual opportunities.

This sanctuary is located within Dominican Acres, a 160 acre green space surrounded by suburban sprawl. In the midst of diminishing farmland and wilderness, Shepherd's Corner seeks to provide a place in which people of all backgrounds can reconnect with the natural environment, themselves, one another, and the Creator who made them all.
